24 June 2020

Dear Year 6 Parents,

We hope that this letter finds you and your family both healthy and safe during these challenging times.

It is that time of the school year when we say goodbye to our Year 6 pupils as they finish their primary education and head off into the big world of secondary schooling. It is an exciting time; however, it can also be daunting for some pupils and this year more than ever, is a time of many changes and uncertainty of what may be ahead.

As always, we would like our Christ Church children to be resilient and have a positive attitude to face the new chapter in their life. Traditionally, the end of year would see our children take part in a range of transition activities. Unfortunately, due to the on-going COVID-19 pandemic, it will not be possible to run these transition sessions in the way we normally would.

With this in mind, we have been working hard to plan an alternative transition process. On Tuesday 30th June 2020, from 9am to 11:50am, we are hosting a transition workshop. The workshop will help children talk through their feelings and concerns as well as take part in activities to support their transition. We will make contact with you in the coming days to discuss any concerns you may have and confirm your child's attendance. The children will be in small groups whilst in school due to social distancing.

We hope our students can join us on this very special morning. As always, we want our children to be happy, successful and engaged young people-ready for the rest of their school careers.

Yours sincerely,

Year 6 Team

School of the Year
