Head Teacher: Mr N Whitehouse
Acting Deputy Head: Mrs T Collins Bullock

Friday 11th September 2020

Dear Parents,

It has been announced by Birmingham City Council that from Tuesday 15th September, coronavirus restrictions are being tightened within the local authority. The restrictions are related to households mixing with each other and not schools. As a result, at present Christ Church CE Primary School will be open as normal on Monday morning.

We want you to be reassured that all staff at school consider the safety of pupils the highest priority. We will continue to maintain our hygiene systems which include:

- groupings that reduce contact between children in different classes
- increased hygiene and hand washing procedures
- staggered start and finish times, breaks and lunches
- enhanced cleaning, including a weekly deeper clean
- the active promotion of social distancing
- the use of PPE in line with government guidance

Please remember not to send your child to school if they, or any of your household have Covid19 symptoms, which are:

- A high temperature
- A new continuous cough
- A loss of or change to their sense of smell or taste

If you or any of your household do develop Covid19 symptoms, please contact the school office. Do not send your child to school. You will be advised to self isolate and access a test in line with government guidance, which relates to everyone in your household. Further information on this system was given in our newsletter earlier this week.

We will write to you next week in order to give you further details. In the meantime if you have any questions or queries, please contact the school office on Monday.

Yours sincerely,

Mr. N. Whitehouse.
Head Teacher

School of the Year
