

# EYFS Home Learning Guidance for Parents - Reception - Week 1

Dear Reception,

We hope you are all well and enjoying the sunshine. It's just as important to get lots of exercise during your time at home, so if you have a garden to play in then why not practice your throwing and catching skills. How many times can you catch a ball without dropping it? How far apart can you stand from your family member without dropping it? Can you measure the distance with a measuring tape? If you've got some chinks, why not try writing your numbers to 20 in order on the patio? Can you go on a shape hunt around your house and garden? Try and practise your Phonics, Reading, Writing and Maths everyday and read lots and lots of stories - we've given you some ideas of what to do below! We also love Cosmic Kids yoga on youtube - have a go!

We really miss you all! Stay safe and well and don't forget to wash your hands!

From Miss Gardner & Miss Peplow
