

Mrs Collins's children had a go at making a CC Robot. Mrs Collins tried not to help too much but do you like the hair?

Robot by S from Year 3

Robots by S and S from Reception and Year 3

Robots from E from
Nursery and D from
Reception.

All the robots look fantastic and are so unique. Thank you to all the children who made robots, I hope you had fun making them? If you would like your robot to go on the school website, just send an image to the school's email address.

Take care and best wishes to you and your families,

Mrs Collins
