

Hello all!

Below is a text box that is the perfect size to be cut and stuck into your end of year autograph books! As we cannot all be together and share our books around, we have decided it would be best if each of you wrote out a message (typed) for your whole class, and then we will do the hard work of sticking the messages into each book so that you are able to have an end of year message from all of your class mates!

Please do not alter the size of the text box, as it will no longer fit into the books. If you want to write more, you can make your text size smaller, but we suggest that you keep it to size 11-12 and pick a font that is easy to read! (If it is too hard to read we will change it)

I have included an example message to give you some inspiration, but the things you must include are:

- You must **begin** your message - **Dear Graduating class of 2020,**
- You must **sign off** your message with **YOUR NAME** – any messages without names will not be able to be included - e.g Lots of love, Joe Bloggs.
- You must be **kind and positive**. Any negative messages or bullying ‘jokes’ will be deleted and you will be spoken to.
- This is something that you will keep for a long time – so make sure you **take your time** and **think about what you want to say**.
- If you want to include pictures you can, but they must fit inside the same sized box and you **must get permission from the person before you send it. We will check, if permission was not granted it will not be included.**

Dear my friends of class 2020,

WE DID IT! I can't believe it, we had one of the most amazing and weird school years in history. It is sad that we did not get to do a school production, but I will never forget the Easter production in and Akram with the floating steering wheel. Hilarious. We SATS exams – phew! Although, I will say, I am disappointed to show off my SPaG skills in the end! My favourite thing about our football matches together, we were so brilliant, I hope my new class is as good as us. I miss you all so much and I hope we will get to see each other soon, if that is in secondary school or at the park during the summer holidays. Good luck and lots of love!

Love from,

Joe Bloggy.
