Dear Students, Staff and Parents of Christ Church School,

Assalam o Alaikum

*Abu Hurairah (May Allah be pleased with him) reported:
The Prophet said, "The upper hand is better than the lower one (i.e. the giving hand is better than the receiving hand)" [Al-Bukhari]*

It is thanks to your contributions that over 500 children are now studying and pursuing their dreams of a brighter future at our five schools in Pakistan and Azad Kashmir.

We can only do our work because people like you are passionate about educating disadvantaged children in our native country. By supporting us, you've let a child know that they're not alone.

With thanks for your support,

Imran Chaudhary
